### **Location within the Campus**

Once you go through the main entrance of the University, you will come to a small roundabout. Take the first exit off this roundabout and continue along the road. You will pass a fountain on either side of the road and then a pedestrian crossing. The entrance to our car park is located just after this pedestrian crossing, on the left hand side of the road.

At the barrier to the car park, simply press the button beside the Avvio logo, allowing you to gain access. We are located in Block 2 of the International Business Centre, on the first floor.
